**Commuter Services of Pennsylvania Announces  
Staff Promotion and New Team Additions**

**York, Pa. (January 22, 2014)**– Commuter Services of Pennsylvania has announced the promotion of Kandi Fox to Employer Outreach Manager, as well as two new additions to the team. Jessica Bosley and Holly Anderson have been hired as Outreach Coordinators.

Kandi Fox, previously an Outreach and Programs Coordinator for several years, was promoted to Employer Outreach Manager. Her previous duties included managing the ride-match program, facilitating the Emergency Ride Home program, providing customer service support and attending events throughout the region to promote programs to commuters. In her new position, Kandi will be soliciting new employer participation and providing employers with information and support on alternative modes of transportation available to commuters.

Jessica Bosley and Holly Anderson will both be serving as Outreach Coordinators. Jessica is a graduate of York College with a Bachelor of Science degree in Psychology and Minor in Marketing. She has a strong background in customer service and marketing communications. Previously, she interned with Commuter Services in 2011. Holly is a graduate of York College with a Bachelor of Science degree in Marketing. Holly has a strong background in customer service and sales. Jessica and Holly will be supporting the efforts of the Employer Outreach Managers at Commuter Services to help reach out to employer partners and employees throughout the region.

“Kandi’s ability to utilize the talents she’s developed over the years on this project, as well as her capacity to facilitate the continued growth of our employer programs, is vitally important to the long term success of this organization,” said Matt Boyer, Executive Director of Commuter Services of Pennsylvania. “It’s very exciting to bring Jessica back into the Commuter Services family as she will be able to hit the ground running. Holly is a fantastic addition to the team and brings a great deal of enthusiasm to the position.”

Commuter Services works with employers and commuters to encourage a variety of commuting options including biking, taking transit, carpooling, walking, vanpooling or telecommuting. Using alternative transportation results in fewer cars on the roadways, which helps to improve air quality and reduce traffic congestion and travel time.
