Commuter Services of Pennsylvania Reappoints 2014 Officers and New Board Members

York, Pa. (February 20, 2014) – Commuter Services of Pennsylvania today announced the reappointed officers and new board members that will serve in 2014 on the Susquehanna Regional Transportation Partnership (S RTP) non-profit board that oversees the region’s nine-county commuter alternatives program.

The following officers have been reappointed:

- Beth Artman, Senior Transportation Planner for the York County Planning Commission, as chair. She is a resident of Red Lion Borough, York County.
- Jonathan Fitzkee, Transportation Planner for the Lebanon County Planning Department, as vice chair. He is a resident of Heidelberg Township, Lebanon County.
- Teri Giurintano, Executive Director of Lebanon Transit, as secretary. She is a resident of the City of Lebanon, Lebanon County.
- Kimbarley A. Williams, CPA, a manager with Boyer & Ritter, as treasurer. She is a resident of Lemoyne, Cumberland County, and a member of the American and Pennsylvania Institutes of Certified Public Accountants.

The following have been appointed as new board members:

- Janelle Black, Manager of Advocacy with the York County Economic Alliance. She is a resident of York County.
- Natasha Manbeck, a Project Manager for McMahon Associates, Inc., representing Greater Reading Chamber of Commerce & Industry. She is a resident of the borough of Wernersville, Berks County.
- Donna Adkins, Director of Human Resources for Volvo Construction Equipment and representing Greater Chambersburg Chamber of Commerce. She resides in the borough of Chambersburg, Franklin County.
- Carrie Stuart, President of the Gettysburg Adams Chamber of Commerce. She resides in the borough of East Berlin, Adams County.

Commuter Services of Pennsylvania works with employers and commuters to encourage a variety of commuting options including biking, taking transit, carpooling, walking, vanpooling or telecommuting.

Using alternative transportation results in fewer cars on the roadways, which helps to improve air quality and reduce traffic congestion and travel time.
