| | | |

Notes:

- Portions of this map were generated from the sources listed to the right.
- The population representations in the main map were calculated by taking the total population in each census tract and dividing it by its respective acreage.

Sources:

- Worker Flow File Data - U.S. Census Bureau: 2000 Census
- Roads, Waterbodies, Boundaries - PennDOT
- Transit Routes - Counties of Berks, Cumberland, Dauphin, Lancaster, Lebanon, and York
