

## View a Sampler of the City's Historic Gems by Bike

May 18, 2018 at 11:30 AM

Start location: Visit Lebanon Valley Center

Farmers Market, 31 S. 8th Street

Sponsored by Lebanon Valley Bicycle Coalition & Visit Lebanon Valley

The City of Lebanon has many historic sites. This bike ride will show off several of these "gems". The route will be S. 8th Street to Maple Street and return by way of S. 8th Street. Stops will be made at Light's Fort and Old Salem Lutheran Church and Salem Memorial Chapel

Participants MUST wear a bike helmet and sign a waiver. We highly recommend wearing a bright jersey, shirt or vest. Flashing bike lights are a great safety device during the day time. Visibility is a critical bicycling safety practice.

Upon return, there will be light refreshments at the Visitors Center.

Preregister by calling the Center at 717 277-0100 OR
