

Is Vanpooling Right For You?

Do you travel
30 miles or
more one
way to work?

Do you have
a consistent
work
schedule?

Are you willing
to share your
commute with
7 to 15 other
people?

Do you want to
save money on
your commute?

**If you answered yes to the questions above,
then you are ready to start a vanpool!**

STEPS FOR FORMING A VANPOOL

1 Locate 7-15 people who live and work near you and are interested in vanpooling. If you need assistance with creating a group, go to www.PaCommuterServices.org.

2 After you have a group together, call 1.866.579.RIDE to schedule a formation meeting. At the formation meeting we will discuss: vehicle type, determining your basic route, schedule and passenger costs, and choosing a group coordinator and alternate driver.

3 Contact your employer to see if they offer the \$255 federal pre-tax benefit for vanpooling. Commuter Services can speak to your employer about this as well.
